Dear Employer:

On the basis of the information furnished to this Division, it has been determined that the services performed for you are not considered "employment"; they are excluded by Section 6(r) of the Massachusetts Unemployment Insurance Law, which provides as follows:

Section 6(r): The term 'employment' shall not include:

...

"Service performed in the employ of a church or convention or association of churches, or an organization which is operated primarily for religious purposes and which is operated, supervised, controlled, or principally supported by a church or convention or association of churches."

...

Therefore, you are *not* required to report the earnings of any such employees or pay contributions thereon to this Division.

You are further advised that this determination applies only to your liability under the Massachusetts Unemployment Law. It has no bearing on your obligation under any other law, federal or state.

Sincerely,
